Product lines

Cribs and cots · Nursery sets and changing dressers · Bunk, loft and kids' beds · Dressers and storage · TV and media units · Bathroom vanities · Bedroom and living furniture. Showcase models only: every item is made to order, wholesale / OEM.

Standards we work to

United States	ASTM F1169 / 16 CFR 1219 (cribs); ASTM F1427 / 16 CFR 1513 (bunk beds); ASTM F2057 / 16 CFR 1261 (dressers, STURDY Act); ASTM F2388 / 16 CFR 1235 (changing tables, designed to); CPSIA
Australia / New Zealand	AS/NZS 2172 (cots); AS/NZS 4220 (bunk beds, designed to)
European Union	EN 716 (cots, designed to)

Third-party test reports are available for our cribs (ASTM F1169 / 16 CFR 1219; AS/NZS 2172), bunk beds (ASTM F1427 / 16 CFR 1513) and dressers (16 CFR 1261), and for materials (lead, phthalates, formaldehyde in MDF). We share them with qualified buyers on request. A report applies to the model tested. Changing tables are designed to ASTM F2388 / 16 CFR 1235; testing is arranged per order. TSCA Title VI / CARB P2 compliant panels are sourced on request.
